ENGINEERS WEEK 2020

February 16 – 22, 2020

NORTHEAST FLORIDA ENGINEERS WEEK for Engineering & Construction Management Sponsorship Opportunities

Dear Colleagues:

The 2020 Northeast Florida Engineers Week Committee continues to raise awareness of Engineering and Construction Management in our community. Engineers Week (E-week) showcases the work of our profession and is host to numerous activities that engage students of all ages. E-week officially commences with the Kick-Off Luncheon and concludes with the Awards Banquet.

We are asking you, the Engineering and Construction Management Community, for your support this year as we carry on our tradition of providing scholarships to high school and college students. Through your contributions, we are also able to provide students the opportunity to attend many of the E-week events. This exposure allows the next generation to see firsthand the impact of engineering and construction in their daily lives and encourages them to pursue these fields for their future careers.

On the following pages is information about sponsorship packages and the 2020 E-week events. We hope that you will support E-week as a sponsor and attend as many of these events as possible.

Thank you in advance for your consideration of a sponsorship and for making a true impact in our community! ***Please feel free to contact any member of the sponsorship committee with any questions.***

Thank you,
2020 Northeast Florida Engineers Week Committee

Nancy L. Debs, P.E.
Sponsorship Committee Chair
904-705-7354 ndebs@fivepointsdsgn.com

Please indicate credit card payment and an Invoice will be e-mailed.

Please contact ndebs@fivepointsdsgn.com if you have any questions!

ASCE Community Outreach McCoys Creek Cleanup @ Tabula Rosa

When: Sunday, February 16, 2020, 10:00am - 12:00pm (noon)

Where: Tabula Rasa Brewery, 2385 Corbett St., Jacksonville, Florida 32204

ASCE will be meeting again to improve the community this upcoming February. We have had many successful efforts in the past from helping build homes with Habitat for Humanity, sorting food and supplies for people in need at Feeding Northeast Florida, and a beach Cleanup at the Jax Pier with UNF. Come join us with other groups to improve McCoys Creek.

Join CoJ, Rising Tides, and Keep Jacksonville Beautiful at their monthly cleanup of McCoys Creek! Every month is a different location but February happens to fall at Tabula Rasa Brewing. Come out and enjoy the fresh air and afterwards stick around for a brew or two.

What to bring: Reusable water bottle, hat & sunglasses, closed toed shoes, gloves.

Helpful Supplies: Grabbers, shovels, rakes, rope, saw

Check out their [Facebook page](#)

Please email any questions to Nitesh Sangam at Nitesh.Sangam@hdrinc.com

ASCE SE Student Conference Sponsorship

When: March 12-14 2020

Where: UCF

The American Society of Civil Engineers at the University of Central Florida is excited to host the 2020 ASCE Southeast Student Conference, March 12-14, 2020.

This 3-day conference draws more than 900 students from 28 Universities in the southeast region of the US and Puerto Rico.

This event is challenging and expensive to host but your financial support and participation will help this a once in a lifetime experience.
