

December 2021 Newsletter

ASCE Members,

We would like to wish you and your families a happy holidays! Thank you for all of your continued support for our chapter and your passion in the civil engineering field. As we continue to navigate through these interesting times, it sheds light on the community we have built together and the mindfulness we all encompass. We look forward to sharing another year with each of you and connecting you to all the resources we have at our finger tips.

Have a safe holiday season, *cheers!*

Don't forget!!

It's the most wonderful time of year to renew your ASCE Membership! If your membership expires soon, there are 3 easy ways you can renew:

- Online: Visit www.asce.org/renewal
- Phone: Call (800) 548-2723 or +1 (703) 295-6300 between 9:00 a.m. - 6:00 p.m., E.T., Monday - Friday.
- Mail: Send your completed renewal form to Membership Department, P.O. Box 79084, Baltimore, MD 21279.

Doing so will provide you with 10 free PDHs through webinars, AccessEngineering, continuing education and career development services, networking, and access to Jax ASCE luncheons. Remember to select our section when renewing!

Golf Tournament @ Top Golf, October 14th, 2021

This year's fundraising golf tournament was a huge success! A special thank you to all of our volunteers and participants that came to support and show us their best swing on the green. We were able to raise \$1,700 for scholarships for the students at UNF!

The top three winners were:

1. Nick Nemecek
2. Mike Holland
3. Gary Sowell

The winning golf team was Osiris 9 Consulting, LLC. and our top sponsor for the event was EGS. Please see the photos below of the event.

UNF joins JEST in the Annual Pumpkin Carving Contest

Students from the ASCE chapter join JEST again this year to host their annual pumpkin carving contest. Each year this social brings together students and professionals to show off their carving skills while expanding their network. See the photos below of the event held on October 22, 2021.

UNF Students, we are once again awarding ***scholarships*** to three qualified students!!

If you are an ASCE member, please apply [HERE](#). Three applicants will be selected, and the scholarships will be presented at the 2021 E-Week Luncheon in February.

Please contact the Jax Branch President, Nicole Bohaczyk, at nicolebohaczyk@gmail.com for any questions.

SAVE THE DATE: Engineers Week!

The Northeast Florida Engineers Week is dedicated to raising public awareness of the positive contributions engineers have on the quality of life and each year we award students with scholarships motivating the youth in pursuing a rewarding and passionate community. Please visit the [website](#) to learn more and find out how to join us this year!

February 18, 2022 - Kickoff Scholarship Luncheon @ UNF

February 26, 2022 - Awards Banquet @ San Jose Country Club

The E-Week committee is seeking sponsors for the upcoming 2022 Engineers Week in February. Sponsorship levels and benefits packets will be sent out if any companies are interested and can also be seen on the website. If you have any questions, please feel free to reach out the Nicole Bohaczyk, ASCE Branch President, nicolebohaczyk@gmail.com A few of the 2021 Scholarship winners can be seen below.

SAVE THE DATE: FES Race for Relevance

The Race for Relevance is a fundraising event created to help support the future of the engineering profession by encouraging our youth to engage in STEM. All the funds raising from the event go towards the Chapter's fund and for the past 7 years the event has raising over \$45,000! With these proceeds, we have been able to award more scholarships to deserving students, including the newly added Don and Carol Ditzenberger Scholarship! More details of the event and how to become a sponsor can be seen on the [website](#). We hope to see you on the track this year!
